Cedar Choice For Horses Was developed by the owners of A-Plus Pest Control, Inc. as an alternative to dangerous chemicals.

Directions: Read the entire label before use. Use only in accordance with label instructions. For external use only. Shake well before use. Hold Sprayer 8-12 inches away from horse. Start spraying horse on neck & chest down the front legs making sure to spray the entire coat including legs, tail, & underbody. Do not spary under saddle area. Avoid spraying in eyes. Repeat as necessary. Product may be applied indoors or outdoors. In order to help reduce the occurrences of fleas, ticks, and other nuisance insects, this product works best when used regularly year round.

Active Ingredients: Cedar Oil 3%.

Other Ingredients: Ethyl Lactate (corn solvents) and Water 97%.

Storage and Handling: Store out of direct sunlight in a cool dry area.

First Aid: If signs of sensitivity occur, discontinue use and bathe your horse with mild soap and rinse with large amounts of water. If signs continue consult a veterinarian. Have the product container or label with you when calling a veterinarian or going for treatment.

Disposal: Place in trash or offer for recycling.

CAUTION: KEEP OUT OF REACH OF CHILDREN.

Plus Natural Solutions represents that this product qualifies for exemption from registration under (FIFRA). This product has not been registered by the EPA.
