Ready to Use BedBug Eliminator was developed by the owners of A-Plus Pest Control, Inc. as an alternative to dangerous chemicals. This product effectively controls bedbugs and other insects naturally.

Directions: For the control of bed bugs and other household pests, mist liberally on mattresses, box springs, and all upholstered furniture. Pay extra attention to seams. Lightly mist carpet and drapes as needed. Spray using a directed stream along baseboards and into any openings or gaps on walls and carpet edges. Test products in discrete areas on all colored fabrics before use. **Avoid electrical outlets.**

Active Ingredients: Sodium Lauryl Sulfate .55%, Sodium Chloride .25%, Potassium Sorbate .00125%.

Other Ingredients: Water, Yeast, Vinegar (maximum of 8% acetic acid in solution). **A Proprietary Formula.**

Storage and Handling: Store out of direct sunlight in a cool dry area.

First Aid: If in eyes rinse slowly with water for 15-20 min. If problem continues contact your doctor. Always wear eye protection while using product. **Avoid eye contact.**

Disposal: Place in trash or offer for recycling.

CAUTION: KEEP OUT OF REACH OF CHILDREN.

Plus Natural Solutions represents that this product qualifies for exemption from registration under (FIFRA). This product has not been registered by the EPA.
