- Safe for Repeated Applications
- Dissolves Nit Glue
- Advanced Foam Applicator

4oz 118ml

How To Use A+Plus Natural Mousse

A+Plus Natural Mousse uses enzymes to dissolve the glue that holds the nits (eggs) to the hair shaft.

Step 1: Apply A+Plus Natural Mousse to completely saturate hair and scalp from roots to ends. **KEEP AWAY FROM EYES.** ⚠

Step 2: With A+Plus Natural Mousse on hair begin the combing process using the Nit Free Terminator Comb. Part hair into sections; each section should be combed in four different directions; from above, below and each side.

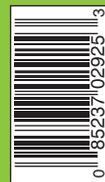

Step 3: Wash A+Plus Natural Mousse out of hair. Inspect hair carefully, if there are any signs of lice and their eggs repeat steps 1-2.

Active Ingredients: Sodium Lauryl Sulfate 1.48%, Sodium Chloride 0.5%, Potassium Sorbate 0.05%. **Other Ingredients:** Water, Yeast, Acetic Acid. Total inactive ingredients 97.97%, Ingredients Total 100%
